4. Comments

Peer advocate FTE saw a decline and not up to 9 FTE. Reasons for this are 1) Peers were previously assisting to staff a crisis respite house and the house didn't work out with the contracted provider so that will be up and running again at a new house hopefully by November. Also, 2) we are experiencing difficulties staffing our Tahoe region and finding space for a .5 FTE Peer to work. Have tried discussions with contracted provider in the area but without luck. 3) Overall volume of referrals to date hasn't warranted yet full use of grant allotted FTE for peers, but volume has been increasing last 3 months so we will be increasing FTE's
